***What is the "Blended" CPR Renewal Course?** A combination of self-paced online and instructor-led classroom training
Part 1: Online Skill Practice & Testing (AHA HeartCode® BLS) Once registered, you will be sent to your personal email address a link to access the course – a self-paced AHA course in which you will learn single-rescuer and two-rescuer basic life support for adults, children, and infants. It contains interactive exercises, simulations, and a written test. Upon passing the online written test, **print out your Certificate of Completion for Part 1**. Available dates are **above** on the printed CPR Renewal Course schedule, referred to in the online calendar as Blended CPR.

Parts 2 & 3: Classroom Evening Skill Practice & Testing 6:00-7:30PM

Day Courses: *Friday March 13 & October 30 will take place from 10-11:30AM. Wednesday June 17 will take place from 2-3:30PM.
 Upon handing your Certificate of Completion for Part 1 to the classroom instructor, you will have the opportunity to practice the skills you learned in the online course. When you have completed the practice session, your skills will be tested. Parts 2 & 3 typically take 60 to 75 minutes. Upon passing the test, you receive your renewal card and continuing education certificates.

The Blended courses meet the Dental Board of CA requirements for 4 units of Continuing Education and License Renewal **Register early**. Class size is restricted by available space for 16 persons. NO phone reservations accepted. Payment must accompany registration. Credit card receipts email or fax to provided address and numbers.

DISCLAIMER: The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA

SMCDS Members and Staff **\$65** each Non-Members **\$80** each **4 CE Units (Core)**
