

PROFESSIONAL SERVICES DIRECTORY ORDER FORM

THE SMCDs PROFESSIONAL SERVICES DIRECTORY is a separate Directory within our website dedicated to our advertisers/ Business Members. This listing capability is a valuable feature of our marketing program and I urge you to take advantage of it. Our strategy is to provide additional exposure for our advertisers/Business Members and easier access to information for our members. While we do not “endorse” our advertisers/Business Members*, we do encourage our members to express appreciation for your support by including your company among those from whom they select their suppliers.

*exception to this policy is TDIC Insurance Solutions with whom we have a revenue sharing agreement.

NOTE: SMCDs Business Memberships include a preferred listing in our website's SMCDs Professional Services Directory at no charge.
